

## Exercise Due 11/5/09

During class today we discussed multimedia learning theory. For next class you have been assigned readings that will explain it more fully. One reading is attached. The link to the other is on the Google calendar and below:

<http://tinyurl.com/ykoto9p>

After completing the reading, I would like you to find practical examples that support (or refute) some of the concepts in Doolittle's theory.

Your assigned concept is below. Prepare a Word document that contains:

- Links to at least TWO examples
- 3-5 sentence explanation of how your example supports this aspect of multimedia learning theory.

.....

### Here is the list:

- Timing is everything – following the rule (*David Iberkleid, Victoria*)
- Keep in close – breaking the rule (*Shanice, Drew*)
- Keep it simple – breaking the rule (*Forrest, Maureen*)
- Stinkin' text – breaking the rule (*David Owen, Courtney*)
- Learning style – following the rule (*Vanessa, Ashley, Woody*)
- Speak up! – following the rule (*Michael, Amanda*)

.....

**Come to class on Nov. 5 prepared to discuss your finding.**
